I. Overview

Veteran Hope Alliance was established on May 1, 2025, as a nonprofit organization organized to support and serve veterans through charitable, educational, and community-focused initiatives.

During its initial organizational period in 2025, the Alliance focused on its foundational startup work. This included establishing its legal and administrative presence, maintaining a mailing address, developing a public-facing website, and preparing the organization for future outreach, fundraising, partnerships, and veteran-support programming.

The organization received no donations, grants, program revenue, membership dues, or other organizational income during the 2025 reporting period.

II. 2025 Organizational Activities

During the reporting period, Veteran Hope Alliance completed or supported the following startup and infrastructure activities:

- Established the organization on May 1, 2025.
- Completed or supported the organization's federal 501(c)(3) registration process.
- Maintained Missouri corporate filing and administrative compliance requirements.
- Established and maintained the organization's mailing address through P.O. Box 30121.
- Developed and hosted the organization's website and online presence.
- Began preparing the organization for future veteran-focused charitable activities, public outreach, donor development, partnerships, and program planning.

No direct charitable distributions, grant awards, veteran-assistance payments, fundraising events, or program-service revenue were reported for the 2025 startup period.

During Fiscal Year 2025, Timothy F. Terrell paid all costs Veteran Hope Alliance incurred in full as a founder contribution/non-reimbursable contribution to establish a veteran's service organization that helps veterans and their families, as well as the communities we serve.
